Olive Wood PRAYER God Bless Our Home

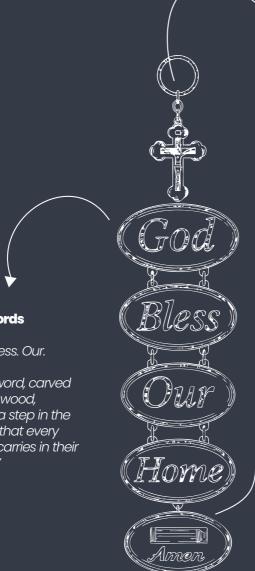

Crafted in Bethlehem and Jerusalem - From the Heart of the Holy Land

In the heart of every home, faith lives quietly—in whispered prayers, shared meals, and symbols that remind us: we are always held in grace.

Handmade in the Holy Land from olive wood, this hanging ornament echoes a timeless blessing. "God Bless Our Home."
Each wooden piece is engraved with care and linked together to form a vertical prayer—a daily reminder of divine protection and peace.

The Cross

"At the top rests the cross, the eternal sign that grace watches over every doorframe."

The Words

God. Bless. Our. Home. "Each word, carved in olive wood, marks a step in the prayer that every family carries in their hearts."

The Capsule (Holy Olive Oil)

"At the base, sealed in glass, is holy olive oil pressed from ancient trees and blessed in Bethlehem. A sacred symbol of healing, peace, and the Spirit's presence."

Today, the story continues with you. Let this piece hang where love lives.
Let it speak silently of faith, welcome, and peace—
from the Holy Land to your home.

You're holding more than a piece from the Holy Land.

You're holding A PRAYER for your home.
